To Whom It May Concern

I confirm that Dilruba Khan was registered on the BSc in Digital Technology and Design, (aka WebElevate 6.0) programme at Digital Skills Academy.

This is a one-year, part-time, Level 7 undergraduate ordinary degree which ran from November 2017 to November 2018. It is funded by Springboard and accredited by Dublin Institute of Technology (DIT).

Our records confirm that Dilruba Khan successfully completed the course and obtained the following results:

Web & Device Programming (10 ECTS):	98%
Mobile & Web Application (5 ECTS):	72%
User Experience & Concept Design (10 ECTS):	66%
Entrepreneurial Creativity & Innovation (5 ECTS):	82%
Industry Project (20 ECTS):	73%
Training & Facilitation for Digital teams (5 ECTS):	76%
Server Side Web Development (5 ECTS):	55%

These grades with Module weighting applied indicate an overall grade average of 75%. (Distinction)

If you have any queries pertaining to this matter, please do not hesitate to contact our WebElevate assessment team: assessment@webelevate.ie

Yours sincerely

Sarah Murray
